

Mrs. Frisk's 5th Grade

Lesson Plans

Sept. 18-22nd

Here is a peek at our week ahead of us. As always, we are flexible on our schedules, as sometimes we may need to take longer on certain subjects or tasks. Remember, spelling tests are always on Fridays (no spelling for read180 students in class). Science is on Tuesdays and Thursdays. AR is set up and ready to go as well, please make sure you are being responsible and checking your goals and trying to reach them. Any work that is not completed in class, is considered homework to finish at home. Have a great weekend! If there are questions or comments, please email me.

Mrs. Frisk

Math	ELA-Spelling	Social Studies
<p><u>Math Expressions:</u> Start Unit 1- Building a fraction: adding and subtracting fractions</p>	<p><u>Spelling: Long Vowels</u> Spelling Test: Fridays <u>ELA: Wonders unit 1: week 2</u> Weekly Concept: What can lead us to rethink and idea?
